

98th MSC Birthday!

On June 30th Medical Service Corps Officers and Warrant Officers got together to enjoy camaraderie and fellowship all over the world in celebration of the 98th Birthday of our Corps. BG Pat Sargent and the MSC Corps Chief's Staff encouraged the events and the Silver Caduceus Association sent out the call to 30 of our members to offer assistance for the celebrations. In all, there were at least 14 MSC Birthday Celebrations and likely many more events on our birthday.

I thought you would enjoy a day in the life of our MSC's from 30 June 2015 as they celebrated the Corps' 98th Birthday.

Reynolds Army Community Hospital, Fort Sill, OK

COL Gregg Stevens, LT Thomason and COL Noel Cardenas, Commander RACH, cut the cake.

Evans Army Community Hospital, Fort Carson, CO

From LTC Eric Poulsen, DCA at EACH: "We had a great turnout yesterday morning when more than 30 Fort Carson MSCs gathered for a 3.5 mile run or 2.2 mile hike out at the Garden of the Gods. Following the run, everyone went over to Rudy's BBQ for breakfast, networking, and mentorship. Our program

included a review of the history of the MSC, overview of all of the AOCs by function, the MSC Corps Chief's message from BG Sargent, and comments from the MEDDAC Commander (Senior MSC) on Fort Carson, COL Dennis LeMaster."

Moncrief Army Community Hospital, Fort Jackson, SC

Joseph Hightower wrote: "Thanks for the outstanding support yesterday at the 98th MSC Birthday Celebration. Let's continue to remain in touch and support each other, the Corps, the AMEDD and this great country. Many blessings and good health to all."
