SILVER CADUCEUS ASSOCIATION

The Silver Caduceus Association (SCA) is more than an organization; it is a Kindred Relationship! Membership is comprised of Army Medical Service Corps (MSC) Officers and Warrant Officers who served in the active component, National Guard or Reserve Officers and who have bonded to uphold and support the values of the Medical Service Corps. Other AMEDD Officers, MSC Officers from other military services and civilian employees who have provided extraordinary support to the Army MSC and the AMEDD are eligible to join as associate members when recommended by an active SCA member and approved by the Board of Directors.

During a MSC Reunion back in 2002, the attendees voted to formalize the organization, and great things have happened since then. The Secretary of the State of Texas assisted in selecting the name of the MSC Network, Inc., and the name was later changed to the Silver Caduceus Association, Inc. The SCA is incorporated; moreover, it has federal and state tax exemption and has been a viable association ever since and continues to sponsor its signature event, the biennial SCA Reunion, on even numbered years.

The purpose of the SCA is to promote the history and traditions of the Medical Service Corps, to enhance continuing education, and to support social and recreational activities for its membership. Enduring strength comes from core values of service, loyalty, honesty, and integrity. Camaraderie is the binding strength of the SCA and as such it works to foster and maintain a close association and working relationship with the various Silver Caduceus Societies.

A Scholarship Program was established, nurtured, and is managed by a Scholarship Committee. Anyone related to and recommended by a SCA member may apply. The success of the program and the awarding of numerous scholarships have been outstanding due to generous donations by our SCA members.

To continue to grow and to be able to sponsor educational and recreational activities, it is imperative that the SCA maintain an active recruitment program. Membership is \$15 per year, \$50 for five years or \$350 for a lifetime membership. A \$10 admin fee is applied to all new memberships.
