# **MSC Friends on Facebook**

MSC Friends is a group of former US Army Medical Service Corps officers, many of us having served with each other. Our service ranges between Korea, Viet Nam, Desert Shield/Desert Storm and includes Iraq and Afghanistan. There is no purpose other than to provide a short-hand way of staying connected. The only ground rule: No politics as there are plenty of other ways to express those opinions. Feel free to share info about colleagues whose paths we continue to cross . . . weddings, births, hunting trips, golf trips, obituaries, news good or bad, happy or sad, all are

ok! There are currently 1400 + members and the group growing rapidly. It's a fun site . . . Join today!

Your reunion committee has been working to make this a reunion you will remember and have developed a program that is a bit different from our previous gatherings.

### Here's the outline for our time together

Wednesday, 24 October:

**Evening**: dinners by specialty

- This dinner allows each specialty (AOC or MOS) to come together and enjoy an evening out. It's up to specialty members to select a coordinator and arrange their own event. In 2016 the 70A administrators met at the Army Residence Community for a penthouse reception and dinner.

Thursday, 25 October:

Day trip to Fredericksburg

- This will be a bus trip from the Holiday Inn to Fredericksburg. Attendees will then be free to enjoy touring, enjoying the museum, wine tasting, shopping, and other personal interests.

**Evening**: welcome reception

- This will be an opportunity to visit with fellow MSC attendees. There will be a cash bar and Mexican-themed buffet.

Friday, 26 October:

Morning: guest speakers – today's Army, AMEDD, and MSC <u>Afternoon</u>: golf tournament and local bus tours

- The bus tours will include Fort Sam Houston, Camp Bullis, and the Army Residence Community.

**Evening**: Oktoberfest buffet

- This German Oktoberfest evening will be at the Fort Sam Golf Course.

Saturday, 27 October

Morning: Memorial service and USAA guest speakers – retirement issues

- We'll have two speakers. One will focus on retirement and survivor issues. The other will focus on the military's new retirement system and decisions current military members will have to make by year's end. Both will provide valuable and interesting information to all attendees.

Afternoon: open for your personal activities

Evening: reunion banquet

- Our weekend ends with our coat and tie banquet. The meal selections will be pan seared chicken breast or beef London broil. That said, the hotel chef can meet most special or limiting meal requirements.

I will soon send you a registration form for the reunion. It will include the full list of events from which to choose. Some events are included in the basic registration fee and some events have a separate charge.

Please forward this notice to all active, retired, and former MSC officers you know; invite them to attend.

It will be necessary for them to become an SCA member if they wish to participate, the one exception will be the specialty (AOC / MOS) dinner.

Please email me at <a href="mailto:cwohollingsworth@live.com">cwohollingsworth@live.com</a> if you have questions or you wish to volunteer as a coordinator for your specialty (also known as AOC and MOS) dinner.

We are looking forward to seeing you in San Antonio in October.
